Attention: Community Mental Health Providers

The purpose of this letter is to provide some background information on B Sharp Technologies, along with a summary of our objectives and goals with a view to setting up a meeting with you and your team to discuss how B Sharp Technologies can help your organization with evolving clinical and technology standards, LHIN integration challenges, and the related impact of eHealth in the Mental Health and Addictions sector.

B Sharp's healthware brand; B Care®, is a fully integrated web-based health information system that includes a suite of point-of-care assessment and case management tools that promote multi-disciplinary care planning and outcome based reporting. B Care® has been designed to accommodate any clinical and/or community setting and is fully adaptable to the demands of client care and evolving Ministry and Canada Health Infoway standards.

Today, B Care® manages more than 35% of Ontario's in-patient mental health beds. It is also being used by a growing number of organizations for CDS-MH/MIS data collection and mental health reporting within the community sector. Having participated in the (CMHCAP) Community Mental Health Common Assessment Project, B Sharp is also among the first technology companies to incorporate this assessment into its suite of products. Additionally, for addictions and withdrawal management, we are working with our customers, DATIS, and the Ministry to integrate and streamline this mandatory reporting requirement.

We welcome the opportunity to meet with you and your team to discuss how B Sharp can provide the tools necessary for effective integration, adoption of the Common Assessment, and other standardized instruments promoting community care and measurable outcomes. In the coming weeks, we will be contacting you to explore ways in which we can work together to meet the pressing challenges facing service providers and alignment with the LHIN. In the meantime, please take a few minutes to visit our website at www.bsharp.com, or give us a call at 1-866-994-2499 ext. 258.

Sincerely,

A handwritten signature in black ink that reads 'Michael Conn'.
